

**REMARKS**

In the Office Action, the Examiner noted that the claims 1-2, 4-9 and 11-21 are pending in the application and that the claims 1-2, 4-9 and 11-21 are rejected over prior art references. The Office Action does not consider the Supplemental Amendments filed by Applicants on July 17, 2007 and, instead, considers the amendments filed on May 14, 2007.

Applicants respectfully request that the Examiner acknowledge the Supplemental Amendment that was submitted to improve the form of the specification and claims as originally filed. The claims have been amended for the reasons described in the previous Amendment After Final dated March 16, 2007 that was not entered. It is respectfully requested that the Supplemental Amendment filed on July 17, 2007 be favorably examined and entered in the above-referenced application.

**AUTHORIZATION**

The Commissioner is hereby authorized to charge any additional fees that may be required for this Amendment, or credit any overpayment to deposit account no. 08-0219.

In the event that an extension of time is required, or which may be required in addition to that requested in a petition for an extension of time, the Commissioner is requested to grant a petition for that extension of time which is required to make this response timely and is hereby authorized to charge any fee for such an extension of time or credit any overpayment for an extension of time to deposit account no. 08-0219.

Respectfully submitted,

Dated: January 9, 2008
